Letter of recommendation

It is with great pleasure that I was asked to recommend Steven Haug, born on 01.10.2003.

I have known him for several years. From the year 2014 he attended regularly the training sessions at the DFB competence centre (DFB Stützpunktraining) in Ötigheim and Steinbach.

He was as well member of the state select in our region. Over the period of several years (2017 up to now) he attended several training courses and played in games and tournaments for our state select team.

Steven is very hard working and has always displayed a high degree of integrity, responsibility, and ambition. Steven understands that success and hard work go hand in hand, he is a respectful young man who is not afraid of working hard to reach his goals.

I feel confident that he will be an asset to your program as he is dedicated, reliable and educated. It is without reservation that I recommend that you take a serious look at Steven Haug for your program and I have no doubt that any College would be fortunate to have him both as a student and as a football player .

If you have any questions regarding this recommendation, please do not hesitate to contact me or email me at: andreas.beck@sbfv.de

Sincerely

Andreas Beck
