Translation Letter of recommendation for Steven Haug

Dear Sir or Madam,

Steven Haug played the 2017-18 season with Offenburger FV U15, EnBW – upper league juniors.

Steven was extremely flexible for the team.

He started as a full-back, through his steady development and motivated training effort, he became better and better - technically and tactically. Steven Haug became a top performing key player for Offenburger FV U15 and thus played in the central midfield or as a central defender.

I wish Steven continued success.

If you have any questions for me, I am at your disposal.

With sporty greetings

Sawa Ell

Coach U15 and sporting director U15 - U19 at Offenburger FV
